MAHARISHI KIDS HOME

Child leaves home from warmth and cushion of mother's lap.
MKH is here to script the future of the nation with these tiny tots.

Through Consciousness Based-Atma Based
System of Ideal Education,
Life everywhere will be ideal.

No one will make mistakes,
no one will violate the Laws of Nature,
and no one will suffer or fall sick.

Life will be long and happy,
and the individual and society
will rise to immortality.

Fear and punishment in the administration
of society will be forgotten; in
gentleness and love, the life of mankind
will be restored to wholeness.

Spontaneously living in alliance with the
invincible power of Natural Law,
every nation will enjoy victory before war.

Each step of progress of the individual
and the nation will be guided by the
unseen hands of nature's perfect intelligence
and infinite organizing power.

Abundance and affluence will belong to all.

Vedic Civilisation will return and,
mankind will enjoy Heaven on Earth for all time to come.

Message of

HON'BLE CHAIRMAN OF MVM SCHOOLS GROUP

Children are the music of the life and future of the world.

*The Word recognizes the Indian culture with its glory of
Vedic Traditions.*

*Indian Vedic traditions are scientifically substantiated and are free to
newer incorporation for its better growth.*

*Maharishi Mahesh Yogi ji the foremost scientist of consciousness have
always encouraged the traditional Indian method of teachings that
are time tested.*

*Maharishi Kids homes therefore are the abode of knowledge,
wisdom and experiments for the better life.*

*The child moves from home leaving the warmth and
cushion of mother's lap.*

*MKH are designed to ensure kids the pleasure of
learning through an atmosphere of learn and fun.*

*In addition to inculcate the traditional Indian values in the
child right from their budding age, the modern methods of
education to meet the challenges of today's world also
are scientifically imparted to the children.*

*This is indeed imperative to ensure that the child's development is
based and built up with the mutual cooperation of the parents and
the School.*

We therefore appreciate an active participation of the parents.

*Let us work together for a better future of the nation and the world
through building responsible, sensible new generation.*

VISION

Unfolding the full creative potential of each student in order to make an enlightened, invincible and ideal global leader.

MISSION

- MKHs are conceived for creating, discovering and developing individual kid's potential towards the positive aspects of the life.
- New generation needs to be imparted the Indian values for their overall development.
- MKH creates an opportunity to strike the true balance of modern and traditional method of education.
- Nature itself is a good facilitator and suggests human being abundance of the knowledge.
- MKH ensures the nature friendly environment for the development of the inherent talents of individual kid.
- Nature supports all the activities of the human, MKH imparts the same to the kids in the most convenient methods to the child.
- Learning in the nature's loving care is an incredible experience that makes one responsible and sensible towards the safeguarding of the nature and natural resources.
- Thus ensuring the development of the world class citizens that looks beyond the self-improvement but aims at the welfare of the world too.

DIFFERENT APPROACH

- MKH offers entirely a different approach towards the learning.
- Education is expected to be always centered on focusing towards the individual holistic development.
- Each person is unique and MKH ensures the proper identification of the hidden talents and its capitalization.
- Parents worries are towards the safe and conducive environment for their ward. MKH realises it and supports the same objective by means of providing the environment free of pollution and unwanted disturbances around the premises.
- The individual attention that is made available to the child, makes him more receptive and inquisitive towards his/her learning, for his/her potential is adroitly learned by the teacher.
- All the teachers are learned/well trained women who understand the true need of a small kid.

FACILITIES

- Aesthetically decorated class rooms.
- Furniture free of sharp edges.
- Toys free of dangerous/toxic materials, ensures a safe learning and playing environment.
- Your wards shall be imparted cleanliness and help developing an attitude of understanding and attending to nature's call.
- We have the children friendly toilets and to assist them experienced ayas.
- They will be taken care of by the ayas under the guidance of the teachers.
- We believe that our culture must certainly be imparted to them at this tender age for their meticulous following of the same.

PEDAGOGY OF MKH

- To ensure the child centered education coupled with the learning, activities and fun.
- Children shall have no written work initially but to learn in the friendly atmosphere.
- Teachers shall dance, sing, participate in the games with the child to make them stress free and realizing them a home atmosphere to the child.
- The overall development of the child is the prime objective of MKH with pleasure and bliss thus ensuring them the same warmth and care of the mother that they long for.

DAY CARE FACILITY

- This facility will be offered to the children on request by the parents.
- After school hours, the children will be under the personal care of a trained staff who will provide the warmth, comfort and security of home. Age appropriate toys, play equipments and reading material will be at hand besides cozy beds.
